GENERAL

I understand and agree that

- Club communications are done primarily via the club website and via email. This includes but is not limited to changes in times, pairings, cancellations, schedules, rules and entry due dates.
- There are Local Rules and Guidelines adopted by the Club; I will play according to USGA rules and WGC local rules.
- I must be able to keep up with the pace of play to participate in the Club events.
- Cell phones are for emergencies only.
- It is my duty to post all scores from rounds played outside the Club tournaments.
- It is my responsibility to keep the Club informed of any changes to address, email or phone numbers.

TOURNAMENT PLAY / CANCELLATIONS

I understand and agree that

- Entries are confirmed only upon receipt of the designated entry fee on or before the entry due date **or** before the tournament reaches the maximum number of players, whichever is earliest.
- There are no automatic "carry-forwards" to a future tournament in case of credits or cancellations.
- verbal, phone calls/ messages, email, or fax are *not* forms of entry; entries must be received (not postmarked) by the due date.
- It is the player's duty to check the "Paid Entries" on the Club website to verify receipt of their entry *before* the entry due date and to notify the Club of any discrepancy (ie. your name is missing).
- Changes to pairings after they have been published is at the sole discretion of the Club.
- If my name does not appear on the pairings sheet and there is no record of the entry being received, entry into the tournament is at the sole discretion of the Club.
- Entry fees received after the due date will be returned or, at the sole discretion of the Club, the player may be used as a substitute or fill in; the Club has no obligation or duty to find substitutes or fill in players.
- Being a "no show" at a tournament is disruptive and may lead to further action by the Club.
- The Club has no duty or obligation to any player late for their tee time and that the late player(s) are subject to disqualification.
- Any cancellation notice received after the entry fee due date, or date otherwise designated by the Club, is subject to full forfeiture, regardless of the status of the tournament (ie cancellation, rain out); any reimbursement is at the sole discretion of the Club.
